

Slovakia

TRAVEL GUIDE

Tripomatic

Overview

Slovakia is a **landlocked** Central European country known for its dramatic mountain ranges, extensive forests, and historic towns. It offers a blend of natural beauty and rich cultural heritage, from the High Tatras in the north to the lowlands of the Danube River. The country's diverse regions each present unique landscapes and traditions.

This destination suits travelers seeking outdoor adventures like hiking and skiing, as well as those interested in medieval castles, charming old towns, and thermal spas. As a member of the **Schengen** Area, Slovakia provides easy travel for many international visitors. It is an ideal choice for exploring Central European history and nature.

Money & payments

The local currency is the Euro (). ATMs are easy to find in most urban and tourist areas. While card payments are common, keep some cash for small purchases. This can include local markets, public buses, or establishments in smaller towns.

The cost of travel in Slovakia is generally lower than in many Western European countries. A budget traveler can manage on approximately 50-70 EUR per day. A mid-range traveler might expect to spend 100-150 EUR daily.

Typical costs

Rough prices in touristic areas, per person

Hotel (double room, per night) mid-range city hotel per room per night	70 – 150 € $77 – $165
Dinner (mid-range restaurant) sit-down dinner for one at a mid-range restaurant, without drinks	15 – 30 € $17 – $33
Inexpensive meal casual eatery or lunch special, one person	7 – 12 € $8 – $13
Local beer 0.5 l draught	1.5 – 3 € $2 – $3
Coffee espresso or cappuccino in a café	2 – 3.5 € $2 – $4
Water 0.5 l bottle in a shop	0.7 – 1.5 € $1 – $2
Transit ticket single, Bratislava	0.9 – 1.5 € $1 – $2
Taxi (per km) per km	0.8 – 1.2 € $1 – $1

Tipping

Tipping is customary in Slovakia, especially for good service. It is common practice to round up the bill or add a small percentage in restaurants and bars.

For taxi drivers, rounding up the fare is generally appreciated. Consider tipping hotel staff, such as porters or housekeepers, a few euros for their service. Tour guides, particularly for free walking tours, often rely on tips.

Restaurant 10%	Optional
Bar round up	Optional
Taxi not expected, rounding up is fine	Not customary
Hotel 1-2 EUR/day	Optional
Tour guide 10-15%	Expected

Electricity

Slovakia uses Type C/E plugs at 230 V / 50 Hz — standard European outlets; most modern chargers work without an adapter.

ELECTRICITY

Type C

ELECTRICITY

Type E

230 V · 50 Hz

Language

Slovak is the official language of Slovakia. It is a West Slavic language.

In major cities like Bratislava and Kosice, and in popular tourist areas, many younger people and those working in tourism speak English well. Outside of these areas, especially in smaller towns and rural regions, English may be less common. Learning a few basic Slovak phrases can be very helpful and appreciated.

Useful phrases

Hello	Dobrý deň
Thank you	Ďakujem
Please	Prosím
Excuse me	Prepáčte
Yes	Áno
No	Nie
How much?	Koľko to stojí?
Cheers	Na zdravie!
Help	Pomoc!
Goodbye	Dovidenia
Do you speak English?	Hovoríte po anglicky?
Sorry	Prepáčte
Where is...?	Kde je...?
I don't understand	Nerozumiem
The menu, please	Prosím jedálny lístok
The bill, please	Prosím účet

Staying connected

Mobile network coverage across Slovakia is generally excellent, especially in urban areas and along major transport routes. For travelers planning an extended stay, purchasing a local prepaid SIM card or eSIM can be cost-effective.

You can buy SIM cards at official operator stores, electronics shops, and larger supermarkets. Major providers include Orange, Telekom, and O2. Be aware that you will need to present a valid ID or passport for registration when purchasing a prepaid SIM card, as this is a legal requirement in Slovakia and the EU. A basic prepaid SIM with a data bundle typically costs around 10-15 EUR.

Safety & emergencies

Slovakia is generally a safe country for travelers. However, like any popular destination, petty crime can occur, especially in crowded tourist areas of larger cities like Bratislava and Kosice. Be aware of pickpockets and bag snatchers, particularly on public transport, in markets, and around major attractions. It is always wise to keep valuables secure and out of sight.

While rare, be cautious of unsolicited offers or individuals approaching you in tourist zones. Avoid walking alone in poorly lit areas at night.

Emergency numbers

GENERAL EMERGENCY	POLICE	AMBULANCE	FIRE BRIGADE
112	158	155	150

Health

Tap water in Slovakia is safe to drink throughout the country.

Pharmacies (lekáreň) are widely available in towns and cities. They generally operate during standard business hours. Some larger urban centers like Bratislava or Kosice have pharmacies with extended hours or 24/7 service. Look for signs indicating "non-stop" or "pohotovosť" for after-hours availability.

No specific vaccinations are required for entry to Slovakia. It's advisable to ensure your routine vaccinations are up to date before traveling. For personalized advice regarding vaccinations, especially if you plan extensive outdoor activities in forested areas, consult with a healthcare professional well in advance of your trip.

Visas & entry

Slovakia is a member of the Schengen Area. Citizens of EU, EEA, and Switzerland can enter Slovakia freely. Many other nationalities, including those from the United States, Canada, Australia, and the United Kingdom, can enter visa-free for short stays. These short stays are typically up to 90 days within any 180-day period. Travelers from countries not covered by visa-free agreements must obtain a Schengen visa before arrival.

Slovak MFA – information for foreigners

Etiquette

Slovaks are generally polite. A firm handshake is the common greeting. Use formal address with titles and last names until invited to use first names.

When visiting churches, monasteries, or other religious sites, dress modestly. Cover your shoulders and knees. Remove hats indoors.

It is generally acceptable to take photos in public areas. Always ask for permission before photographing individuals. Be discreet and respectful in religious places.

Bargaining is not common in shops, restaurants, or hotels. Prices are usually fixed. You may find some room for polite negotiation at flea markets or small, independent stalls.

Punctuality is appreciated. Try to arrive on time for any appointments or social events. Avoid excessively loud conversations or boisterous behavior in public.

Holidays & opening hours

Public holidays in Slovakia often mean that banks, shops, and some businesses are closed. Public transport may also operate on a reduced schedule.

Public holidays

Jan 1	New Year's Day
Jan 6	Epiphany
movable — March/April	Good Friday
movable — March/April	Easter Monday
May 1	Labour Day
May 8	Day of Victory over Fascism
Jul 5	Saints Cyril and Methodius Day
Aug 29	Slovak National Uprising Day
Sep 1	Day of the Constitution of the Slovak Republic
Sep 15	Our Lady of the Seven Sorrows Day
Nov 1	All Saints' Day
Nov 17	Struggle for Freedom and Democracy Day
Dec 24	Christmas Eve
Dec 25	First Day of Christmas
Dec 26	Second Day of Christmas

While larger supermarkets and shopping centres typically remain open on Sundays, some smaller shops and businesses, particularly outside of large cities, may operate with reduced hours or choose to close. Restaurants generally maintain longer opening hours. Some smaller establishments might close for a midday lunch break.

Getting around

Slovakia's national rail operator, ZSSK (Železničná spoločnosť Slovensko), connects major cities like Bratislava, Kosice, and Zilina. You can buy tickets online via the official website, at train stations, or from ticket machines. ZSSK – Slovak Railways

By Bus
An extensive bus network complements the rail system, reaching smaller towns and villages. Inter-city buses are a reliable option for many routes. Tickets are available online, at bus stations, or directly from the driver.

By Car
Renting a car offers flexibility for exploring rural areas and national parks. A valid motorway e-vignette is required to use highways and expressways. Purchase it online at eznamka.sk before entering the motorway network. A 10-day vignette costs approximately 10.80 EUR.

Driving

Driving in Slovakia requires an electronic motorway vignette for travel on motorways and expressways. This `e-známka` can be purchased online via eznamka.sk, at most petrol stations, or at border crossings.

Key rules and equipment: Drivers must use dipped headlights or daytime running lights year-round. A zero-tolerance policy for alcohol applies to all drivers. Winter tyres are mandatory from November 15 to March 31 if winter conditions (snow, ice, or frost) are present.

- **Mandatory equipment**: A reflective vest, warning triangle, first-aid kit, and a spare wheel or tyre repair kit are legally required in your vehicle.

Parking: In most Slovak cities, parking in the center is paid, often managed by parking meters that accept coins or cards, or through mobile apps. Look for signs indicating parking zones and payment methods.

Fuel: Petrol is commonly labelled as "Benzín" or "Natural 95/98", while diesel is "Nafta". Fuel stations are a mix of attended and self-service, with card payments widely accepted at the pump.

Electric vehicles: The charging infrastructure for electric vehicles is growing, particularly in urban areas and along main routes. Major charging networks include ZSE Drive, GreenWay, and ejoin. You may need specific apps for these providers or use universal roaming apps to locate and pay for charging.

URBAN	RURAL	MOTORWAY
50 km/h	90 km/h	130 km/h

PETROL	DIESEL
Natural 95, Natural 98, Natural 100	Nafta, Diesel

Drive on the right

Motorway vignette required

Electronic vignette (e-známka) required for motorways and expressways for vehicles up to 3.5 tons. Purchase online or at designated points.

Food & drink

Slovak cuisine is hearty, often featuring pork, poultry, potatoes, cabbage, and dairy products. Lunch is typically the largest meal of the day. It often includes a soup followed by a main course. Dinners are usually lighter, but a warm meal is also common. Breakfasts are often simple, with bread, cold cuts, and cheese.

The national dish is *Bryndzové halušky*. These are small potato dumplings topped with sheep cheese and fried bacon. Other common dishes include *Kapustnica*, a rich sauerkraut soup, and various roasted meats. For a sweet treat, try *parené buchty*, steamed dumplings filled with jam. *Trdelník*, a sweet pastry often found at markets, is widely sold and popular with tourists; a specific variant, Skalický trdelník, holds EU PGI status.

Slovakia has a strong tradition of brewing beer, with many local brands. Wine production is also significant, particularly in the Small Carpathian region. Popular spirits include *Slivovica* (plum brandy) and *Borovička* (juniper brandy). A popular non-alcoholic drink is Kofola, a local herbal cola. Locals typically eat at restaurants or pubs. Many establishments offer daily lunch menus during weekdays.

What to eat & drink

DINNER

Bryndzové Halušky · Bryndzové halušky
Potato dumplings with tangy sheep cheese and bacon, Slovakia's national dish.

Cabbage Soup · Kapustnica
Sauerkraut soup with sausage and smoked meat, a traditional Christmas dish.

Goulash · Guláš
A hearty meat stew, often served with bread dumplings or bread.

SNACKS & STREET FOOD

Potato Pancakes · Zemiakové placky
Grated potato pancakes, often served as a side dish or snack.

SWEETS & DESSERTS

Poppy Seed Dough Rolls · Šúľance s makom
Sweet potato-dough rolls coated in poppy seeds and sugar.

Trdelník
A sweet pastry made from rolled dough, grilled and topped with sugar and walnut.

DRINKS

Kofola
A popular herbal cola-like soft drink.

Slovak Wine · Slovenské víno
Slovakia has a long tradition of winemaking, particularly in the Small Carpathians region.

Where to explore

Slovakia offers diverse destinations, from historic cities to spa towns and mountain areas.

The capital, Bratislava, sits on the Danube River. It features a charming Old Town, historic castles, and modern dining.

In eastern Slovakia, Kosice is known for its Gothic cathedral and vibrant cultural scene. Nearby, Presov offers historical architecture.

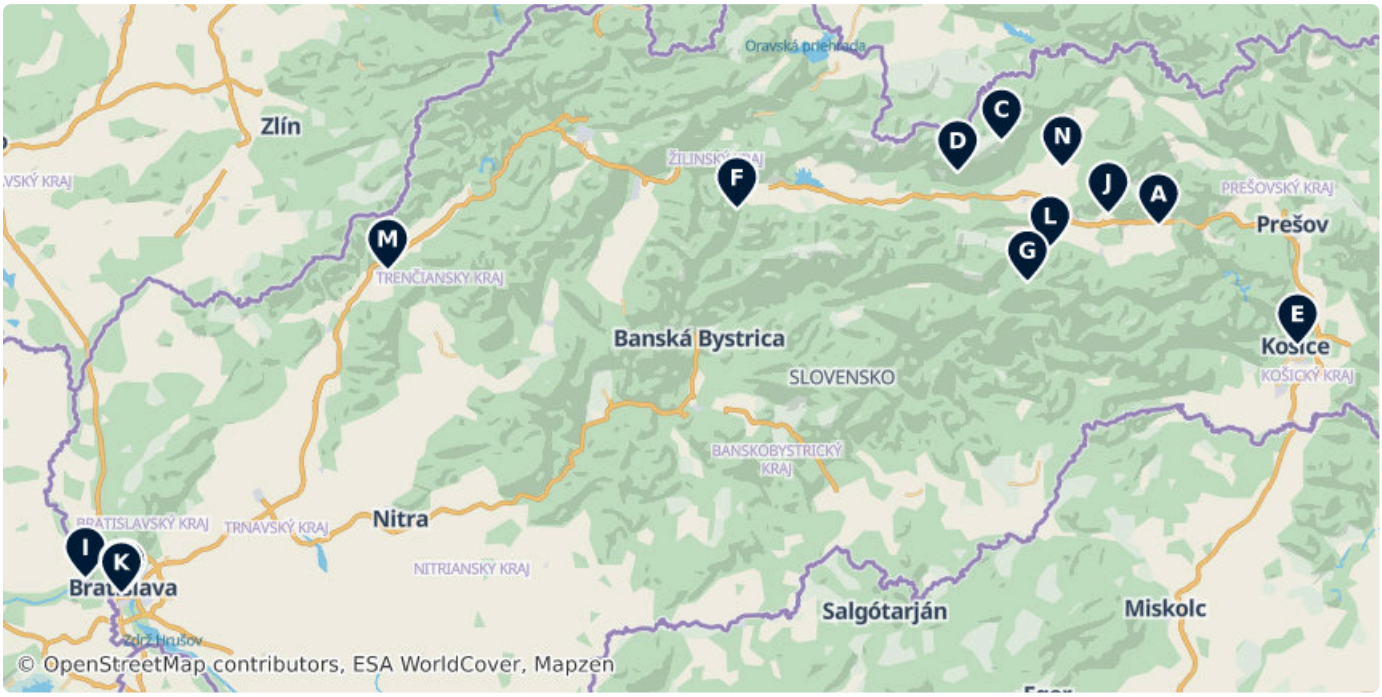
Central Slovakia includes Banska Bystrica, a significant historical and cultural center. Further west, Trencin is dominated by its impressive castle.

For spa and wellness, consider Piestany. Mountain enthusiasts can use Poprad, Liptovský Mikuláš, or Ruzomberok as bases for exploring the High Tatras.

Other notable cities include Trnava with its many churches, the university city of Nitra, and Zilina in the northwest. You can also visit Martin or the historical town of Bardejov. In the south, Komárno sits on the Danube.

Slovakia Essentials

Slovakia's landscape is defined by the High Tatras' granite peaks, including the accessible Lomnický Peak and the glacial Štrbské pleso. The country's history is anchored by the massive Spiš Castle ruins and the preserved folk architecture of Vlkolínec. Architectural landmarks range from Košice's Gothic Saint Elisabeth Cathedral to Bratislava's Art Nouveau Blue Church and the modern UFO Bridge. Natural wonders include the ladders of Suchá Belá gorge and the permanent ice formations in Dobšinská Ice Cave, while Levoča houses the world's tallest wooden altar.



A Spiš Castle

The ruins of Spiš Castle in eastern Slovakia belong to six largest castles sites in Slovakia.
