TRAVEL GUIDE

Overview

Landeck is a town in western Tyrol, where the Inn river meets the Sanna and valley routes lead toward the Arlberg, the Paznaun and the Swiss border. A medieval castle stands above the town centre.

Landeck is more of a hub than a resort. It is a handy base for the big ski areas nearby, such as Ischgl and St. Anton, and for hikes in the Ötztal and Kaunertal.

When to visit

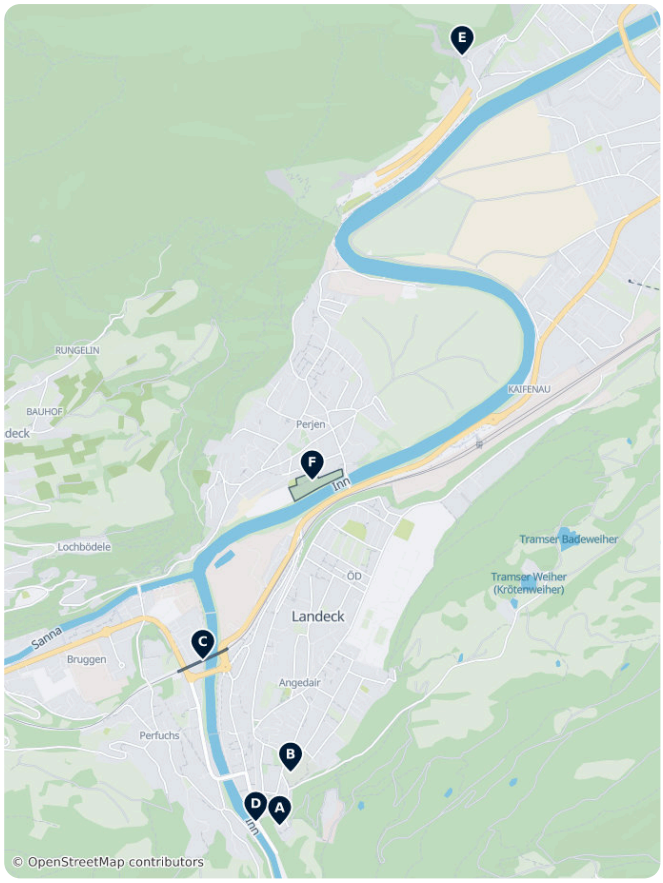

June to September is best for hiking and cycling. Winter is for skiing in the nearby resorts. Spring and autumn are quiet, and some mountain huts are closed.
